PRODUCTS OR MACHINERY

SCHOTT Termofrost's refrigeration and freezer doors offer a solution to maximise display of products and their selling exposure, and at the same time are energy efficient and space saving. By having a vertical display, effective use is made of the shop area.

The SCHOTT Termofrost product range also includes customer specific OEM products in the same high quality, supplied to manufacturers all over the world.

The SCHOTT Termofrost product range has a wide selection under our own branding, as well as customer specific OEM products in the same high quality, supplied to manufacturers all over the world.
