PRODUCTS OR MACHINERY

We can provide stand-alone coating machines, turn-key finishing plant or extensive facilities to match your requirements and those of your end-user. We have a wealth of experience and take pride in our customer service, ensuring clients receive effective, reliable, state of the art technology.

We offer design consultancy across the breadth of spray coating to achieve new objectives, cost-effectively realised with the environment in mind. In meeting the challenge of customer requirements we provide high specification electrostatic disc systems. As an alternative (or in combination) we can design systems employing: electrostatic bells, or spray guns – conventional / electrostatic / ultrasonic. Contact us to discuss which combination will best help you achieve your specification.

Flexible Products

Glasscoat International expertise is to purpose build machinery for the glass container industry and associated products, namely:

Wine, spirits and mineral water etc.

- Beverage Bottles
- Decorative, giftware and tableware
- Perfume and cosmetic containers
- Medical and healthcare containers
