PRODUCTS OR MACHINERY

Xantrex Technology Inc. is a world leader in advanced power electronics. We make a positive difference in the lives of people around the world by combining proven technology with unparalleled market understanding to bring our customers products that enable the delivery of electricity anytime, anywhere.

With Xantrex products, you can access power when, where, how you need it:

Run your electronics, appliances, and tools anywhere, including cars, boats, trucks, and RVs

Provide solar- or wind-sourced and backup power for residential, commercial, and industrial sites

Deliver programmable DC & AC power for research, test, and manufacturing

Xantrex products are smarter, cleaner, lighter, quieter, and easier to maintain than other power sources.
