PRODUCTS OR MACHINERY

SunTechnics has been a key player in the German and European markets for over a decade, and has also expanded its business activities to the North American and Asian continents. SunTechnics has established branches in the USA, South Korea, India and Singapore.

Although photovoltaics is SunTechnics' flagship technology, we have also developed expertise in other renewable energy technologies so that we can meet the needs of every customer. These key technology options include

On- and off-grid Photovoltaic solutions
Solar thermal and solar cooling systems
Bioenergy for electricity and heating
Wind and wind/PV hybrid systems
