PRODUCTS OR MACHINERY

Suntech Power makes photovoltaic solar cells (PV cells) and solar electric systems.

Its products are used in residential, commercial, industrial, and public utility applications, for both on-grid electricity generation and off-grid use, such as stand-alone lighting for street lamps, garden lamps, telecommunications relay stations, and mobile phone networks.

The company is the world's third largest solar cell manufacturer (in terms of production output) and the leader in China. Major international customers include Aterso, Conergy, IBC Solar, Ibesolar Energia, and SolarWorld AG.
