Address	<b>Sieghard Schiller GmbH &amp; Co. KG</b> Pfullinger Strasse 58 72820 Sonnenbuehl
Country	Germany

## PRODUCTS OR MACHINERY

Automotive electronics - power modules - microelectronics. Assembling microelectronic assemblies is a matter of trust. Why? There is a high probability that you are already entrusting us with your safety while driving. A good proportion of the sensors for airbags, ABS, ESR, etc. produced in Europe are currently manufactured on SCHILLER equipment. This probably also includes those in your car. As your reliable partner, SCHILLER develops, builds, and supplies integrated production lines and stand-alone machines for producing microelectronic products tailored to your specific manufacturing environment and your products:

Automotive electronics;  
Power modules;  
Smart Cards;  
Medical technology;  
Microsystems technology; G  
eneral microelectronic products.
