PRODUCTS OR MACHINERY

Microsol produces the most cost effective Mono / Poly Crystalline solar cells. Our solar cells are priced most economically in today's competitive market and offer the best value for money leading to customer satisfaction.

Microsol cells are manufactured with precision equipments and in clean atmosphere. Apart from the regular Silicon colored solar cells, we produce optional Blue colored enhanced efficiency cells with SiNX coating.

We conform to industry norms for screen printed crystalline solar cells.

Company Profile of **Microsol International FZE**

A service of glasssglobal.com, an affiliate of glasssglobal group.
