PRODUCTS OR MACHINERY

Calcarb Limited is a manufacturer and global supplier of premium high purity Carbon Bonded Carbon Fibre (CBCF) based Rigid Insulation and precursor materials for vacuum and controlled atmosphere furnaces.

From our modern production plant in Central Scotland, UK, we produce a comprehensive range of low and medium density carbon based products. Calcarb Limited manufacture a range of Rigid Thermal Carbon Insulation and materials that are selected for precursors in alternative materials development. All materials are manufactured from a Rayon Fibre and produced under our quality management system ISO 9001:2000 which provides full traceability on all manufactured parts
