PRODUCTS OR MACHINERY

With over 600 member companies, the Bundesverband Solarwirtschaft e.V. is the lobby group of the German solar energy industry. Forming a strong community of companies, the BSW-Solar acts as an informant and intermediary between the business, political and public sectors. It represents the common commercial interests of businesses across the solar energy value chain.

The BSW-Solar exerts decisive influence on creating and securing a suitable policy framework for stable growth, and thus on ensuring investment security throughout the entire industry. The objective is to establish solar energy as a firm pillar of the energy industry.

Member companies profit from the association's work at different levels. Based in the heart of Berlin, the BSW-Solar represents your interests in the arena of political decision making.
