Address	EGing Photovoltaic Technology Co., Ltd No 18 Jinwu Road Jintan, Jiangsu province 213213
---------	---

Country	China (People's Republic)
---------	---------------------------

PRODUCTS OR MACHINERY

EGing developed 8-inch solar-class monocrystalline silicon by Czochralski method with measures of improving heating system, increasing charging capacity of single furnace, modifying monocrystalline furnace, improving heating field and air current direction and optimizing crystal pulling technique, etc. EGing's DRXF-85 mono-crystal furnace is rewarded three patents for invention featuring in reliable and stable operation, low energy consumption and environment protection. Thanks to powerful R and D capacity, sophisticated production facility and multi-years' experience, EGing can also afford sufficient production for the whole EGing supplying chain besides taking the lead in mono-crystalline silicon rod.

Company Profile of **EGing Photovoltaic Technology Co., Ltd**

A service of glasssglobal.com, an affiliate of glasssglobal group.
