Address	<b>FPE Fischer</b> Brandenburger Straße 10 88299 Leutkirch im Allgäu
Country	Germany

## PRODUCTS OR MACHINERY

Hot – Hotter – Hot Spot? Here is the solution:

The new Aluminium Junction Box from FPE will greatly improve the safety, performance and service life of your photovoltaic system.

Heat removed. Insulation ensured.

With the development of this revolutionary Aluminium Junction Box, FPE managed to integrate two normally opposite processes: Optimal heat dissipation and electrical insulation.

With Aluminium, Silicone...

The diodes are placed right onto the Aluminium Junction Box: This way, the heat can dissipate into the aluminium, from where the heat is released into the ambient via cooling fins. Electrical insulation is provided by heat dissipating silicone rubber hoses around the diodes
