2nd International Fair Of Glass And Ceramics Production, Processing And Technology GLASS-TECH
1-3 April, 2009, Kielce, Poland

The international Fair of Glass and Ceramics Production, Processing and Technologies GLASS-TECH, which will be held on 1st-3rd April 2009 at the premises of Kielce Trade Fairs, is a unique event in the Polish exhibition market. It is an event gathering representatives of the industry who will have an opportunity to meet producers of decorative glass, double glass, automotive glass, glass furniture, doors as well as glassworks representatives, glass packaging producers and architects. Moreover the fair offers state-of-the-art furnaces, glass processing equipment, chemical preservative agents, and even the latest information about glass recycling and utilization.

COMPANY BACKGROUND / HISTORY

KIELCE TRADE FAIRS: the second ranked exhibition centre in Poland which has been operating in the Polish exhibition market for 15 years now, organizer of over 30 fair events and 200 conferences annually, has used its experience and expertise to extend its calendar by incorporating into it another exhibition: Fair of Glass and Ceramics Production and Processing
