PRODUCTS OR MACHINERY

Our product assortment includes products in the area of photovoltaics and cogenerators powered by vegetable oils. We are a wholesale dealer of solar panels and distribute our products internationally.

Photovoltaics

In the area of photovoltaics our core competencies are as follows:

* The world-wide trade and distribution of solar panels and inverters as a wholesale dealer as well as mounting and turn-key systems. Due to our global sourcing strategy, our clients obtain high-quality at competitive prices which are needed to realize profitable solar plants.

* Services from the general advice, planning, financing and project implementation, as well as the installation of grid-connected and non-grid connected solar plants for industrial and private usage.
