## PRODUCTS OR MACHINERY

### **Thermo Protection Cooling Case**

(TPCC DM / OD)

Thermo Protection Enclosure for Optical Distance Meters

The use of TPCC considerably improves the diode performance of optical measurement systems and guarantees precise measurement values and an increasing the lifetime of sensors.

#### Mode of Operation

Thermoelectric effect

#### Specifications

Protective industrial enclosure made of lightweight composite material (fiber composite) provides excellent isolation properties.

Simple installation mounting base permits easy alignment of the Y/Z axes (Active current control/deactivation)

24V/16Amp power supply (not included)

Industrial protection - Standard

Operating temperature up to +80°C

Cable connections - screw type terminal block

#### Safety features:

Interior deactivation at excessive temperatures

Suitable for most industrial applications

Industrially manufactured according to customer requirements

### Company Profile of **Positioning Solutions International Technics Ltd.**
