Address	<b>GSS Gebäude-Solarsysteme GmbH</b> Windmühlenstraße 2 04626 Löbichau
Country	Germany

## PRODUCTS OR MACHINERY

The Center focuses on manufacturing, i.e. actual production of photovoltaic modules in the first place. It also handles related trading operations for distribution within Germany and Europe - for special-purpose modules on a global scale.

Customers may choose from a great variety of design & performance criteria:

- different PV module types (glass-foil module, foil-foil module, glass-glass module, PV-insulation-glass module),
- different geometrical shapes (rectangle, square, triangle, trapezoid, etc.)
- different color of glass-foil laminates on back walls (white, anthracite, blue, translucent, transparent white, etc.),
- different types of solar cells (monocrystalline, polycrystalline and amorphous solar cells),
- different custom- or project-adapted applications (facade, roof, overhead area),
- photovoltaic modules in laminate design style or with framing around (included colored frame on special request),
- as "Original Equipment Manufacturer" (OEM) module.
