Signet Solar, Inc. is a global company established in 2006 to bring Clean Affordable Renewable Energy™ to people and countries worldwide. Headquartered in Menlo Park, California, the company has been founded to design, develop, manufacture and market thin film silicon photovoltaic modules.

Led by a management team with extensive experience in the semiconductor industry, technology commercialization and global operations, Signet Solar is committed to accelerating the global adoption of solar energy by rapidly reducing the cost of solar modules. Signet Solar's technology lowers the cost of photovoltaic (PV) modules by combining proven silicon thin film technology, with very large area manufacturing, and an industry standard fully integrated equipment set.
