Address	HIM GmbH Waldstraße 11 64584 Biebesheim
Country	Germany

PRODUCTS OR MACHINERY

Our company, HIM, is involved in the waste recycling sector and provides its customers with global professional solutions for waste disposal and remediation.

Our Teams with international experience are specialized in your trade and can provide individual assistance and expert advice for all issues relating to waste management and site remediation. HIM regularly offers training sessions, seminars and workshops for relevant issues.

On the basis of the many years of experience of the parent company HIMTECH, HIM's engineering subsidiary, provides engineering, planning, consultancy and surveying services nationally and internationally.

HIMTECH's competences include company and regional waste management systems, planning, building and operating waste treatment plants, remediation work, landfill engineering and building demolition
