Address	TG Tianjin Glass Co., Ltd Taiwan Glass Group Tianyu Science Park, Jinghai County, 301609 Tianjin City
Country	China (People's Republic)

PRODUCTS OR MACHINERY

TG Tianjin Glass Co., LTD owned one Pilkington-technology clear float glass production lines. Day output is 600t/d and total annual output is 216,000 ton. The glass quality meets the international special type glass standard. The products are widely used in optical-electrical, automobile, architecture and other fields. The plant's main product consists of high-end transparent float glass. Annual production capacity is 216,000 tons, and annual sales are roughly ¥300 million renminbi.

The glass thickness is 3-15mm, and maximum sheet size is 3300 x 5000mm. The plant's products are chiefly used to make high-end processed glass through coating, mirror coating, tempering, and auto glass processing. Due to high product quality, large amounts of glass are exported to eager foreign buyers.
