PRODUCTS OR MACHINERY

Leading manufacturer of mineral wool insulation for thermal, fire and acoustic protection. Only Rockwool is authentic and wholly natural, recreated from natural processes that exist only in nature.

Rockwool stone wool insulation is manufactured from naturally occurring and sustainable igneous volcanic rock. Apart from its non-combustible nature and ability to withstand temperatures in excess of 1000 °C, Rockwool insulation offers excellent thermal and acoustic performance and sustainability credentials. You have the ultimate '4 in 1' solution. Four benefits, one insulation.
