Address	Euroglas AG Euroglasstraße 101 39171 Osterweddingen
Country	Germany

PRODUCTS OR MACHINERY

Processing provides Euroglas' products with multifunctional properties. Starting from float glass as the basic product, Euroglas supply processed glass with heat insulating and radiation reflective coatings. Furthermore, our product range meets our customers' requirements for safety glass as well as antireflective glass and spy mirrors for special applications.

This makes Euroglas a competent partner for window manufacturers, building owners and architects. The quality of our glass and its excellent functional properties is used in trailblazing architecture and designs.
