PRODUCTS OR MACHINERY

As wholesalers abakus solar AG offers high quality modules and components of the leading manufacturers, together with the best advice and practical subject competence for our specialised partners in the trade. abakus' project division plans, builds, and operates PV turnkey plants as an internationally renowned system house. We have own industrial capacities and our special competence is the modern, high-quality building integrated photovoltaic (BIPV), tailor made according to the individual requirements of customers & architects. Numerous regular customers profit from maximum yields through our quality of planning, component choice and execution. Comprehensive one-stop services since 1995!
