## PRODUCTS OR MACHINERY

AIT Poland is one of the two PV companies situated in Tarnow, South of Poland. We work together with our partnership company in Jamshog, Sweden, to launch the high quality products. Since March 2009 we have been dealing with design, construction, production and supply of the revolutionary photovoltaic modules' solutions. We specialize in production of mono and multi crystalline modules with power range from 35 Wp up to 245 Wp.

### Company Profile of **AIT Poland**
