PRODUCTS OR MACHINERY

Our products range includes small modules for the off-grid market (30Wp-120Wp) as well as standard module types used in grid connected solar plants (180Wp-230Wp). We also manufacture marine modules and customized module types at special customers' requests. We offer our customers complete solutions and components needed to design and build anything from a small stand alone off-grid solar installation to a big extensive grid connected solar plant.
