PRODUCTS OR MACHINERY

With photovoltaic modules manufactured in our own facilities, Bauer Solarenergie GmbH offers the specialised trade TÜV-tested and repeatedly certified, top quality products. Maximum quality assurance is our topmost priority. BAUER Solarenergie GmbH, an internationally active partner of professional trades, is a reliable turnkey supplier of solar modules, inverters, mounting systems, solar leads/cables and plug connectors. By combining high product quality with attractive technically perfected design, all components are convincing in every respect. As a manufacturer and partner of the wholesale trade, Bauer Solarenergie GmbH's roots lie in the building equipment firm founded by owner Friedhelm Bauer 25 years ago, which in the last few years has become more and more established in the regenerative energy sector. Our network of partners throughout Europe has been steadily growing since 2004. To date BAUER Solarenergie GmbH has fixed sites in Belgium, France, Greece, Italy, Portugal and Spain. Bauer Solarenergie GmbH is increasingly becoming involved in the planning and development of large-scale projects. BAUER Solarenergie GmbH is your competent partner in the planning and execution of large-scale projects in Germany and abroad. Come and see us in Hall B4, Booth 182 – we will be pleased to provide you with advice in the native language of our partners.
