Address	Büschel Connecting Systems GmbH Lehrstraße 15 72417 Jungingen
Country	Germany

PRODUCTS OR MACHINERY

Büschel Connecting Systems is an internationally active company in the field of development and manufacture of PV connectors and a specialist in customized solutions in the field of connectors and junction boxes. The name "Büschel" is famous as the inventor and manufacturer of the so-called Büschelstecker or banana plug connectors. This contact design is the basis of the PV-BCS SOL5 connector, which is characterized by its high current carrying capacity at low power losses. Other features include water-tightness in compliance with protection class IP68, simple assembly on site, stability and long-life cycle. The BCS SOL5 is certified by TÜV-Rheinland according to DIN V VDE 0126-3.
