PRODUCTS OR MACHINERY

CMEC International Exhibition Co., Ltd. originally the Exhibition Office of the First Ministry of Machine-building Industry established in 1957 and then the Expo Office of China National Machinery and Equipment Import and Export Corporation (CMEC) after 1978, was found as a fully independent subsidiary of CMEC in 1995. After more than 50 years' steady development, the company now has fixed assets of around 100 million Yuan, and 4 administrative departments, 10 business departments and 8 trade shows representative offices outside Beijing. Its main business covers a lot of industries including basic industries of hardware, printing and packaging equipment, HVACR, auto spare parts and accessories, construction engineering machinery, big machineries and equipment, electrical power and lighting, building and construction, machine tools, pumps, valves and water treatment. It has long boasted as one of the Top 10 organizers in outbound expo in China. Meanwhile it organizes exhibition groups to attend China Import and Export Fair twice a year and undertakes the non-commercial exhibitions sponsored by CCPIT and the Ministry of Commerce of the People's Republic of China For more than half a century, CMEC International Exhibition Co., Ltd has nurtured its own business concept-"building, bridging, cooperation, development and win-win". With the tenet of serving all customers with superior services, we have organized various enterprises especially the enterprises from mechanical industries to take part in more than 700 exhibitions and expositions in about 100 cities of more than 70 countries and regions around the world. The business volume did in these shows is estimated over 3 billion US dollars. With a great deal of experience from its professional talents, CMEC International Exhibition Co., Ltd obtained the certification of ISO9001 Quality Management System Certification in 2008, one of the very few in expo business. CMEC International Exhibition Co., Ltd. is one of the most competitive expo organizers in China because of its standardized management, high-quality services and excellent reputation
