Address	CN Solar Technology Co., LTD Binhai 4RD, Hangzhou Bay, New Development Zone, Cixi City Ningbo 315300
Country	China (People's Republic)

PRODUCTS OR MACHINERY

CN Solar Technology Co., LTD is located in the beautiful Hang Zhou Bay New Development Zone, nearby the famous Hang Zhou Bay sea crossing bridge. The company is founded in April, 2007, occupied 50,000 square meters. It's primarily working on the manufacturing and sales of amorphous silicon thin film solar module & accessories, as well as the PV construction integration, research, develop and construct on the big power station.

So far, two production lines with output of 10MW already founded and began to work. With the commencement of the third line, the production of annual output of 5MW, then 15MW will be completed at the end of the year. Amorphous silicon cells have been widely concered in the market, relying on advantage of less material of silicon, making simple & easy to large volume production, better translucent, larger generating capacity of unit power, and low system cost. As a professional production of amorphous silicon solar battery production enterprises, the Company owns domestic advanced technology and equipment, as well as a speciality team of famous expert & scholar, senior engineer.
