Address	<b>EnEd GmbH-clean energy solutions</b> Emmy-Noether-Str. 2 79110 Freiburg
Country	Germany

## PRODUCTS OR MACHINERY

EnEd strengthens the international growth markets of sustainable energy supply by doing active counseling and educational work. EnEd does this in industrial nations and in threshold and transition countries likewise.

Our practical educational offers and consultation services are geared to make the most out of knowledge gleaned from applied research as well as from projects that have already been implemented and evaluated. The goal is to make the productive performance of renewable energy sources and efficient energy clear and feasible at the national and international context.
