## PRODUCTS OR MACHINERY

Enfinity is an international developer of solar energy projects. Through our 4 different business units Develop, Invest, Technics and Trade we develop, invest, realize and sell PV plants. Starting off in Belgium, Enfinity has projects and clients in various countries in Europe (Spain, Italy, Greece,...) and has expanded into other continents, including North America and Asia. Enfinity is in the process of financing a total capacity of 145 megawatts of PV power. By 2010, Enfinity has the ambition to be an important European player with several hundred megawatts installed power of renewable energy.
