Address	Ferraz Shawmut 15, rue Jacques de Vaucanson 69720 Saint Bonnet de Mure
Country	France

PRODUCTS OR MACHINERY

Ferraz Shawmut is a global industrial specialist offering innovative solutions to deliver our partners and customers optimal efficiency in power management and absolute safety for their equipment. Our solutions bring together a unique full basket of fuses for industry with the associated low and medium voltage fusegear, cooling systems for power electronics, and power interconnection solutions. They serve five markets: transportation, power conversion, power generation & distribution, industrial controls, and power quality. Ferraz Shawmut had consolidated sales of € 255 million in 2008. We manufacture at plants on five continents to meet the specific needs of customers in every region, and we have set up world-class logistics to serve the global market with the high level of customer service it demands. Ferraz Shawmut brand products are available around the world from professionals in electrical equipment distribution at thousands of points of sale. And we have our own top-notch technical support teams, ready to help customers and partners define a solution before a sale and right through every step in a design-to-order process.
