PRODUCTS OR MACHINERY

FORMARO offers its customers around the world top-quality products in the area of photovoltaic and solar heating systems and has been making an active contribution to the future since 1998. When it comes to the sales and installation of our systems, the benefits become quickly apparent: Throughout all of Europe we rely on highly trained sales partners and handicrafts businesses. A competent network ensures smooth sales processes up to the installation of turnkey solutions. Through periodic training measures, we strive to provide consistent high quality in terms of consulting as well as installation. FORMARO for a brighter future!
