PRODUCTS OR MACHINERY

For more than 40 years now, heroal has been a European leader in aluminium system housings for windows, doors, facades, roller shutters, roller doors, insect protection and photovoltaics. That is why heroal is the only company in its field that can deliver the complete system range of high-quality aluminium construction units. The use of exclusive, first-class materials, as well as the compatibility of the system and the expansive distribution and logistics network combine to form the basis of heroal's ever expanding success. More than 500 expert staff members in every area of the company are continually working to further develop and optimise the system and services to the success of over 3,000 customers worldwide.
