PRODUCTS OR MACHINERY

Our delivery range is based on the principle "comfortable, safe and reliable". We offer everything you need for wiring and connecting up PV systems of any size - from individual components through to prefabricated complete solutions, e.g. moulded plugs, prefabricated cable harnesses, distributor chains, PV sockets, preassembled plugs and accessories. Our motto: Maximum energy yield and highest system profitability. You can also create your wiring diagrams easily and conveniently online with the "online cable configurator".
