PRODUCTS OR MACHINERY

Developer, manufacturer and marketer of solar panels and solar cell based products and building materials. Through Next-Gen PV technologies and patents, ICP Solar aims to be the industry's innovation leader. For the past 19 years, Sunsei® has led the consumer market through innovation and has now begun to apply that same philosophy to the OEM, rooftop and power generation. Management has over 50 years of experience in the renewable energy sector. ICP Solar is the North American licensee of the Coleman® brand for solar chargers . Headquarters located in Montreal, Canada, more locations in the USA, Spain, Ireland and France.
