## PRODUCTS OR MACHINERY

Oilpress – the company specialised in solar filling pumps Oilpress pumps have proved to be worthwhile under extreme conditions of its use in industry, heating, and plumbing crafts throughout the world. As a leading specialist with experience of making pumps over 50 years we offer 2 types of pumps suitable for filling, flushing, dispense heating, and cooling liquids. They are specifically designed and made to meet the requirements of craftsmen. Complying with “Made in Germany” quality standards, they are noteworthy for their high endurance, their prolonged durability, exceptional ease of use and compact dimensions.
