Address	Kunshan BYB wire and cable co.,ltd 1301 Fengxing Rd Huaqiao Town KunShan 215332
Country	China (People's Republic)

PRODUCTS OR MACHINERY

Kunshan BYB wire and cable co.,ltd. was founded in August 2006 jointly by Hong Kong Billabong Electronic Co., Ltd. and Ningbo Shunsheng Communication Apparatus Co., Ltd. With a land area of 26,637 square meters and a building area of over 27,000 square meters, the Company is located in Huaqiao Town of Kunshan City, the east gate of Suzhou in Jiangsu, adjacent to Shanghai International Automobile City. The Company specializes in manufacturing integrated wiring products and solar photovoltaic products, with an annual output of 400 thousand cases of cables (305 / meters) and 50MW solar photovoltaic modules. The Company boasts its cutting edge equipment and inspection equipment made in Europe, US, Japan and China, as well as its strict quality management system and testing standard. At present, the Company has passed the ISO9001:2000 Quality Management System Certification and Communications Cables Quality Certification issued by UL, as well as the Solar Energy Cable Certification issued by TUV. Besides adopting the certification standards, we also offer customized products. Our products are mainly sold in Europe, America, Australia, Middle East, Southeast Asia and so on, and have won well comments from clients. The Company has a professional technology research and development team and well-trained staff. Adhering to the management principle of people orientation and the management philosophy of technology leadership, and pursuing the quality principle of "Quality first, client supreme, constant improvement", the company is devoted to developing and innovating for assuring a leading technology in the same industry. While ensuring the technical standard, the Company has made great efforts to reduce production cost and satisfy clients' demands through strengthening management, improving qualification rate, reducing rejection rate, and increasing production efficiency, so as to improve our competitiveness and survival ability in the market.
