PRODUCTS OR MACHINERY

LINAK Group Headquarters is situated in Guderup in Denmark in one of the most well-equipped actuator production facilities in the world. With more than 1,600 dedicated employees worldwide, LINAK is today the world leader in: "designing and manufacturing electric linear actuator systems". Much has happened since the company was founded in 1907. When Bent Jensen, LINAK's present managing director and owner, took over his father's company in 1976, it went through a remarkable transformation. LINAK provides innovation, high quality and extraordinary service.
