At Mauderer design flair and innovation lead to a constant development of our high quality range of products.

Design
Always at the cutting edge of the market we pride ourselves in our unique blend of competitively priced, high quality innovative products. Our complete range is manufactured from premium raw materials with each product being tested to destruction prior to market release.

Manufacture
All welding of our products is to the highest standards in the industry. Tried, tested and trusted by customers from fields of industry, aviation, military, railway and automation, they have come to rely on these standards and will accept nothing less than the impeccable quality provided by Bavaria. Meanwhile highly skilled fabricators, working under DIN EN ISO 9001:2000 certification are committed to keeping that high quality the very foundation of the company, an ever present.

Despatch
Unlike many manufacturers, we do not believe in lead times. By holding extensive stocks we can offer an exceptional next day delivery service on standard standard products and have specialist products within 10 days. Our products have a two -year safety and quality guarantee with strict quality control procedures ensuring that only the very best leaves the factory. For you, the customer, this means a great product on time, every time. For us, this means satisfied customers worldwide.
