# PRODUCTS OR MACHINERY

With customized solutions, flexible and in time logistics, support during the planning on site as well as with an innovative further development of the MEFA product range we want to satisfy and inspire our customers. We are your competent partner for fastening technology! On the Intersolar fair 2009 in Munich, MEFA presents a completely new business sector. A new research- and development project for an immense CO2 saving, for heating of industrial and public bulidings, by using all relevant environmental energies.
