PRODUCTS OR MACHINERY

Products MUNDO FORMA S.A.U. products are designed to cover all solar / photovoltaic plants projects facilities. We are able to provide a high range of shelters that require specific conditions of housing to insure the perfect functioning, such as, - MFSOL Shelters for electric equipment; - Shelters for high voltage energy conversion equipment. We also provide modular edifications performed to be used as: - Engineering offices; - Security and control points; - Provisional housing for workers. Completing our service, MUNDOFORMA gives our client the possibility of Solar PV equipment integration, guaranteeing their proper working after their installation in the final site.
