PRODUCTS OR MACHINERY

"photovoltaik – THE MAGAZINE FOR EXPERTS" gives you an overview of the essential facts related to technology, marketing, advertising, sales, and customer service. In addition, the monthlyB2B industry journal offers insightful commentaries on recent crucial events and developments within and outside the industry. Our growth trend indicator for trades serves as a guideline for your specific planning. Compact market overviews help experts keep an overview. Regular short surveys reflect the mood within the industry. Technical content is presented in a way that allows readers to use it for their daily business. The magazine's editorial content also includes interviews, portraits, reports, and discussions with and about major industry players.
