## PRODUCTS OR MACHINERY

Raycap manufactures high-end lightning and surge protection systems used in mission critical applications. Strikesorb technology represents next generation in surge suppression and meets all international safety and performance standards (including the updated 3rd edition of UL 1449 and IEC61643-1 and 61400-24), effectively protecting components in PV-applications from lightning and power surges, ensuring continuous operation and considerable cost savings.

### Company Profile of **Raycap**

A service of glasssglobal.com, an affiliate of glasssglobal group.
