PRODUCTS OR MACHINERY

As affiliated company of the CENTROSOLAR Group AG, Renusol GmbH a sales network that covers all of Europe. The company has more than 25 years of experience in the solar industry. Our TÜV-approved ConSoles and InterSoles support (end of 2008) about one million solar modules. Renusol GmbH sells complete solutions for the installation of photovoltaic modules on both and flat roofs. We are European market leader in roof integration and flat roof installation. Our patented systems allow the easy, quick, secure and cost-efficient installation of solar modules. We offer our customers an extensive range of services, consisting of qualified advice, on-time delivery and continuous quality control. We create project-specific drawings and offer technical support for preparation of the installation on-site if required. The close contact with our customers allows our experts to continuously develop our products, keep pace with the rapid changes and high demands of the solar market.
