PRODUCTS OR MACHINERY

Established in July 2005, Shanghai Comtec Solar Technology Co. Ltd (SCST) is a leading solar silicon material manufacture in China with an advanced production line which produces solar grade silicon ingots and wafers. The currently capacity of the company is 70MW, and it will be expanded to total of 200MW by the end of 2009. SCST is an ISO 9001 certified semiconductor manufacture. By emphasizing on quality, our products always meet or exceed SEMI and China National Standards. In order to meet the increasing demand of renewable energy, SCST is committed to be a market oriented company with emphasis on quality control, technology development and management improvement.
