Address	<b>Swisslog Telelift GmbH</b> Siemensstraße 1 82178 Puchheim
Country	Germany

## PRODUCTS OR MACHINERY

Swisslog Telelift is a leading manufacturer of rail-bound conveying systems for the internal transport of light goods. With its logistic solutions Swisslog Telelift is offering the customer a complete system comprising of equipment, conception, planning and support. Our aim is finding a rational solution for multiple transportation tasks with the variety and flexibility of all the available systems in close cooperation with our customers. With our own developments and the manufacturing of components and controls we offer high flexibility for alternating customer requirements. All Swisslog-Telelift systems can be extended and modified in modular design.
