Country	Germany

PRODUCTS OR MACHINERY

Sykonec GmbH is manufacturer of ready-to-install cabling solutions for solar power systems. We are specialised in use of cross-linked rubber materials. The pre-harnessed cable systems replace conventionally used T- or Y-connectors on the DC-side. The use of the Sykonec ArCon-systems reduces significantly the manual time normally needed for erection of PV-plants. It increases the safety and life cycle of the solar power system and eliminates sources of malfunctions.

Company Profile of **Sykonec GmbH**

A service of glasssglobal.com, an affiliate of glasssglobal group.
