## PRODUCTS OR MACHINERY

WATTS Industries Deutschland is one of the leading manufacturers of products and components for floor heating systems, boiler connection technology, solar thermal energy systems, wood-burning systems and heat pumps. We are constantly adapting our components to the latest market demands - tailor-made solutions are part and parcel of our day-to-day business. Climate protection measures, environmental requirements and rising energy prices are challenges that we began to address early on with the development of new technologies. Thanks to our innovative products for this dynamic growth market, we have ranked among the market leaders for several decades.
