PRODUCTS OR MACHINERY

We will have an even green earth by using green energy. Zhejiang BLD Solar Technology Co.,LTD. (BLD Solar for short.) is an integrated global solar energy solution provider, as well as a manufacturer of solar panels/solarmodules. BLD Solar is the high-tech enterprise established in June 2008 with a total investment of 50,000,000 Euro. The annual capacity is 50MW right now, which will reach to 100MW after 2009. Our manufacturing plant is located in Anji, Zhejiang province. The factory covers about 100,000 square meters;Our factory has passed the quality control system certification: ISO9001 2000. We insist on the development of global brand. For this, we have set up the global rapid reaction mechanism and global quality track system. For any technical support or quality claim, you will get our response in 1 working day. We will always try our best to provide the best quality goods and best service to all of our customers. We have set up the global marketing center in Shanghai and service center in Germany. There will be more service centers in United States, Italy, Spain, France, Turkey, Korea...so on. Our aim is becoming the international high-tech PV enterprise, and making the society as well as customers, staff and partners satisfy with BLD Solar.
