Address	Vivatex Solar Glass 9921 Hayward Way South El Monte, CA 91733
Country	USA
State	California

PRODUCTS OR MACHINERY

Vivatex manufactures high quality glass designed for the top surface of thermal collectors and photovoltaic modules. We produce a high transparent glass and low iron content that allows for ultimate high levels of light and energy transmission. Virtually colorless in appearance, our solar glass is fully tempered and available in a distinctive rolled patterned. As a direct manufacturer, Vivatex strives to maintain a high standard in quality that our customers can rely on. Depend on us for durability, consistency and cost effective products for your solar solutions.
