PRODUCTS OR MACHINERY

Equipment: Our photovoltaic equipment offering is one of the most extensive in the industry. With over 6 models of our PV laminators to choose from, we can customize a solution to fit your operating budget

Production lines: Looking for an entrance into the solar manufacturing industry? Look no further. We offer some of the lowest CAPEX production lines in the industry today without sacrificing leading edge technology and quality. With customizable solutions ranging from small 5MW lines to over 30MW lines, GlobalWatt can deliver a semi-automated or full-automated factory solution according to your specifications
